Thinking of selling **highly appreciated Real Estate?** You may be facing a big **Capital Gains Tax.**

If you donated your property to The Nature Conservancy instead, you could reduce your capital gains tax, receive an income tax deduction, support the Conservancy and, with some of our plans, even earn a stream of lifetime income.

To find out how, please visit nature.org/realestate and try out the Conservancy's new tool,

In three easy steps, the Guide will show you the many ways a gift of real estate can support the Conservancy, and meet your needs, as well.
